REMARKS

In accordance with the discussion with the Examiner on June 19, 2006, the claims entered in applicant's paper dated June 1, 2005 have been duly amended in today's submission as discussed. Specifically, claim 3 has been amended to define the panel member as having --upper and lower surfaces-- and this phrase has been removed from previously presented claim 4. Claims 5, 6 and 7 have been amended to now depend from claim 3.

Applicant believes that this case should now be in form for allowance and allowance of claims 1-7, 18-21 and 26 is solicited.

Respectfully submitted,

HAMBLEY, DAVID et al
